

## Build A Blanket Donation Drive

1. Collect material. 3-4\* weeks. Fleece fabric can be purchased at Jo-Ann Fabric, Michael's, Amazon.com, or your local fabric store.
2. Plan day to put together materials. Instructions below.
3. Drop-off ready-made blankets at Ascencia.

\*Recommended time.

### **Materials Needed:**

Fleece (2.5-3 yards (2.3-2.7 meters) makes a nice twin size blanket.)

Fabric Scissors

Sewing Tape Measure or Yard Stick

### **Where do the blankets go?**

Every time a client enters the shelter, they receive a new blanket. We go through at least 300 per year. When clients are housed, we gift them with a housewarming basket, usually with a new blanket inside. Ascencia outreach shares emergency blankets with those experiencing homelessness on the streets for colder nights.
